

FRANCESCA CAPOZZI, PhD

Personal Information DOB: 25/06/1986 (Cercola, Na, Italy); Female (she/they); Disabled

Address UQAM | Université du Québec à Montréal
Département de psychologie
100 rue Sherbrooke Ouest, Montréal (Québec), H2X 3P2

Office SU-4375

Telephone (514) 987 3000 # 20582

Web <https://francescacapozzi.ca/> / <https://core.uqam.ca/>

Email capozzi.francesca@uqam.ca

CURRENT POSITION

August 2022 - Present **Professor**
UQAM | Université du Québec à Montréal
Department of Psychology
Social Psychology and Personality Section
<https://psychologie.uqam.ca/>

EDUCATION

2020-2022 **MSc(A), Couple and Family Therapy Program**
McGill University (Montreal, Canada)
Focus: Emotion- and Attachment-based therapy

2012-2016 **PhD, Neuroscience**
University of Torino (Torino, Italy)
Dissertation: "Gaze behavior in non-dyadic contexts: Cues on implicit perspective taking and gaze following"

2014-2015 **Visiting PhD Student**
University of East Anglia (Norwich, UK)
Paper: "Followers are not followed: Observed group interactions modulate subsequent social attention"

2008-2011 **MSc, Psychology, magna cum laude**
University of Torino (Torino, Italy)
Dissertation: "Memory of public events in schizophrenia: An exploratory study"

2005-2008 **BSc, Psychology, magna cum laude**
University of Napoli Federico II (Napoli, Italy)
Dissertation: "A dissertation on Miguel Benasayag's work"

AREAS OF EXPERTISE

- **Gender identity**
 - Gender bias
 - Leadership
 - LGBTQ+ community
- **Interpersonal relationships**
 - Non-verbal communication
 - Social cognition
 - Socio-affective processes
- **Social perception**
 - Group dynamics
 - Impression formation
 - Visual attention

HONORS

- 2024 **LGBTQ+ Mental Health Research Award**
Montreal General Hospital Foundation, Canada
Institutional, 105.000 C\$ over three years
- 2024 **Nomination for the Teaching Excellence Award for the Faculty of Human Sciences**
UQAM | Université du Québec à Montréal
Institutional
- 2022 **Clinical Excellence in Couple and Family Therapy Graduation Award**
McGill University, Canada
Institutional, 250 C\$ una tantum
- 2017 **McGill Rising Stars Honor**
McGill University, Canada
Institutional

SUPPORT

- 2025-2027 **Insight Development Grant**
Social Sciences and Humanities Research Council of Canada
Project: “Eye contact and couples’ responsiveness across cultural and gender differences”
National, 61.022 C\$ over two years
- 2025 **Contribution facultaire pour l’achat d’équipements scientifiques (MAO)**
Faculté des sciences humaines, UQAM, Canada
Support for scientific equipment
Institutional, 10000 C\$ over one year
- 2024-2029 **Discovery Grant**
The Natural Sciences and Engineering Research Council of Canada
Program: “The impact of attention on cognition”
National, 157.500 C\$ over five years

- 2024-2027 **Research Support for New Academics**
Fonds de recherche du Québec – Société et culture (FRQSC)
 Project: “Biais de genre et statut: L’attention coordonnée comme approche implicite”
 Provincial, 55.915 C\$ over three years
- 2024-2025 **McGill University Sexual Identity Center (MUSIC) grant**
Montreal General Hospital Foundation
 Initiative: “Process and content analysis in gender diversity parents’ groups”
 Institutional, 22.529 C\$ over one year
- 2022-2024 **Programme d’appui aux nouvelles professeures-chercheuses et nouveaux professeurs-chercheurs (PANP)**
Faculté des sciences humaines, UQAM, Canada
 Research career plan
 Institutional, 15.000 C\$ over one year
- Contribution facultaire pour l’achat d’équipements scientifiques (MAO)**
Faculté des sciences humaines, UQAM, Canada
 Support for scientific equipment
 Institutional, 7.309 C\$ over one year
- 2017-2019 **Insight Development Grant**
Social Sciences and Humanities Research Council of Canada
 Project: “The language of the eyes: Translating social hierarchies from groups to individuals”
 National, 53.305 C\$ over two years
- 2017-2018 **Merit scholarship program for foreign students (PBEEE)**
The Fonds de recherche du Québec, Canada
 Provincial, 35.000 C\$ over one year
- 2012-2015 **Full PhD scholarship, PhD in Neuroscience**
University of Torino, Italy
 National, 54.554 € (\cong 82.634 C\$) over four years

PRESENTATIONS

Invited talks:

- Capozzi, F.** What we feel and what we say: A social cognitive approach to group therapies @MUSIC. *MUHC Mental Health Mission Research Day*, McGill University Health Centre (MUHC), Montreal. April 2025.
- Capozzi, F.** What we see and what we say: A social cognitive approach to interacting minds, love, and society. *Consortium for Interacting Minds' (CIM) talk series*, Dartmouth College, New Hampshire. January 2025.
- Capozzi, F.** What we see and what we say: A social cognitive approach to interacting minds, love, and society. *McGill Social Psychology Tupperware talks*, McGill University, Montreal, Canada. January 2025.
- Capozzi, F.** Voir ce qui n'est pas caché : L'attention visuelle dans les interactions humaines. *Neuroqam annual meeting*, UQAM University, Montreal, Canada. November 2022.
- Capozzi, F.** From task to prediction: How attention supports group dynamics. *Online live presentation* <https://youtu.be/2QlhN32srPs>. COGNIMATH Lab, University of Puebla, Puebla, Mexico. June 2020.
- Capozzi, F.** From a company to a crowd: How social attention works in multi-agent social settings. *Brain, Attention, and Reality Lab*, University of British Columbia, Vancouver, Canada. November 2019.
- Capozzi, F.** Tracking the leader: Gaze behavior in group interactions. *The Future of Social Cognition Workshop*, University of East Anglia, Norwich, UK. June 2018.
- Capozzi, F.** Social cognition in groups and multi-agent contexts. *Tupperware talks*, McGill University, Montreal, QC, Canada. October 2017.
- Capozzi, F.** Social attention in groups and multi-agent contexts. *Cognitive Research at McGill (CRAM) Colloquia*, McGill University, Montreal, Canada. October 2017.
- Capozzi, F.** Social attention complexity. *Brown Bag talks*, McGill University, Montreal, Canada. October 2016.
- Capozzi, F.** The denied voice of psychiatry. *International Conference Philosophy*, Camerota, Italy. June 2010.

Other talks and posters:

- Capozzi, F., De Coëtlogon Claveau, C., Human, L.** (2025). The effects of direct gaze on social cognition. Joint Action Meeting X, Torino, Italy. Talk, July 2025.
- Srikanth, M., Chalmers, S., **Capozzi, F.**, & Pereira, E. J. (2025). Temporal trajectory of social attention and its role in impression formation. *Lake Ontario Visionary Establishment Conference*, Niagara Falls, Canada. Poster, February 2025.
- Capozzi, F., Leblanc, J., Dalmaso, M.** (2024). The interactive effects of gender and status on social attention. *Psychonomic Society 65th Annual Meeting*. Talk, November 2024.
- De Coëtlogon Claveau, C., Bayliss, A., Philippe, F., Capozzi, F. (2024). Attention coordonnée et altruisme intergroupe. *46e Congrès annuel de la Société Québécoise pour la Recherche en Psychologie (SQRP)*, Drummondville, Canada. Poster, Mai 2024.
- Capozzi, F., De Coëtlogon Claveau, C., Doucerain, M.** (2023). En recherche d'empathie : Données préliminaires sur le comportement de regard quand on parle de conflits dans la vie de couple. *45e Congrès annuel de la Société Québécoise pour la Recherche en Psychologie (SQRP)*, Sherbrooke, Canada. Poster, May 2023.
- Capozzi, F., Ristic, J.** (2020). Social event segmentation relates to individual differences in social competence. *Psychonomic Society 61st Annual Meeting*, virtual. Poster, November 2020.

- Capozzi F.**, Ristic J. Good, but imperfect judges: Accuracy and biases in observers' ability to track others' engagement in social interactions. *42nd annual meeting of the Société Québécoise pour la Recherche en Psychologie (SQRP)*, Gatineau, Canada. March 2020. Accepted abstract, canceled due to the COVID-19.
- Capozzi F.**, Ristic J. The language of the eyes: How looking behavior indexes group dynamics and predicts individual socio-cognitive functions. Symposium *Beyond a single participant: Interactive social cognition in dyads and groups*, Psychonomic Society 60th Annual Meeting, Montreal, Canada. Talk, November 2019.
- Capozzi F.**, Bayliss A.P., Ristic J. Standing out from the crowd: Both social information and cue numerosity affect attention in multi-agent contexts. *Annual meeting of the Canadian Society for Brain Behaviour and Cognitive Science*, Waterloo, ON, Canada. June 2019.
- Capozzi F.**, Ristic, J. (2018). Tracking social cognition: Social attention during group interactions predicts subsequent individual gaze following. *The Future of Social Cognition Workshop*, Norwich, UK. Poster, June 2018.

TEACHING EXPERIENCE

Graduate courses:

- Couple life and cognitive-behavioral therapy (F2023, F2025)

- Social Cognition (F2024)
- Social psychology seminar (F2022, W2025)

Undergraduate courses:

- Neuropsychology (F2018)
- Personality (F2025)
- Psychology of attitudes (W2023, W2025)
- Psychology of interpersonal relationships (W2024, W2026)
- Social psychology research laboratory (F2022)

Guest lectures:

- | | |
|---------|--|
| 2025 | « Phantom limb – Research and personal experiences »
<i>Neuropsychologie</i>
Université Queen’s, Kingston, Canada |
| 2024 | Attention in complex social contexts and in interaction groups
<i>Social cognition – Online seminars 2/2</i>
University of Padova, Italy |
| 2023-24 | Responsiveness in romance: An experimental perspective
<i>Research Methods</i>
McGill University, Montreal, QC, Canada |
| 2023 | Multi-agent social attention
<i>Cognition In Social Interaction</i>
Aarhus University, Denmark |
| 2019 | Phantom limb – Research and personal experiences
<i>Special Topics in Neuropsychology</i>
McGill University, Montreal, QC, Canada |
| 2018 | Attention in social contexts: From the lab to the real world
<i>Introduction to Cognition</i>
McGill University, Montreal, QC, Canada |
| 2017 | Social attention & autism
<i>Introduction to Abnormal Psychology</i>
McGill University, Montreal, QC, Canada |
| 2015 | Emotions
<i>Introduction to Psychology</i>
University of Torino, Italy |
| 2015 | Gaze in social contexts: The case of gaze-cueing
<i>Introduction to Psychology</i>
University of Valle D’Aosta, Italy |
| 2014 | Motor system and abstract domain
<i>Psychology of Action</i>
University of Torino, Italy |
| 2013 | Social construction of memories
<i>Psychology Theory</i>
University of Torino, Italy |

2012-2014 Psychology and Neuroscience seminars
Twenty-four instructional hours in high schools
 University of Torino and Mind & Brain Association, Italy

SUPERVISION EXPERIENCE

Doctoral supervision:

2025-2029 Juliette Careau, PsyD
 Project: Qualitative analysis of emotion-regulation group therapies @MUSIC

2025-2029 Annika Rozéfort, PsyD
 Project: Nonverbal communication and relationship quality in couples

2025-2031 Laetitia Fatima Gibbs, PhD/PsyD
 Project: Language analysis and gender identity

2024-2030 Clara de Coëtlogon-Claveau, PhD/PsyD
 Project: The role of experience in impression formation

2023-2024 Jonathan Leblanc, PhD/PsyD
 Project: Leadership and gender bias

Other supervision:

2025-2026 Honor students' research projects [1]
 Students from research laboratory courses [3]

2024-2025 Honor students' research projects [1]
 Students from research laboratory courses [4]

2023-2024 Honor students' research projects [2]
 Students from research laboratory courses [2]

2022-2023 Students from research laboratory courses [4]

Evaluation committees:

2026 Doctoral thesis [1]

2025 Doctoral essay [1]
 Doctoral essay project [1]
 Doctoral thesis [2]

2024 Doctoral thesis project [1]
 Doctoral thesis [1]

2023 Doctoral essay [1]
 Doctoral essay project [1]
 Doctoral thesis project [2]

COMMITTEE AND BOARD MEMBERSHIP

- 2025-present **Doctoral admission committee**
<https://psychologie.uqam.ca/doctorat/>
 UQAM | Université du Québec à Montréal, Canada
- 2022-present **Departmental scientific day and colloquia**
<https://psychologie.uqam.ca/>
 UQAM | Université du Québec à Montréal, Canada
- 2023-2026 **Coordinator – Personality and social psychology section**
<https://psychologie.uqam.ca/>
 UQAM | Université du Québec à Montréal, Canada
- 2022-2024 **Equity, Diversity, and Inclusion Committee**
<https://edi.uqam.ca/>
 UQAM | Université du Québec à Montréal, Canada
- 2023-2024 **Program creation committee MScA Applied psychological Sciences**
<https://psychologie.uqam.ca/>
 UQAM | Université du Québec à Montréal, Canada
- 2022-2024 **Union representative for the Department of Psychology**
<https://www.spuq.uqam.ca/>
 UQAM | Université du Québec à Montréal, Canada
- 2019-2020 **Policy against Sexual Violence Implementation Committee**
<https://www.mcgill.ca/how-to-report/sexual-violence/policy-against-sexual-violence-implementation-committee>
 McGill University, Montreal, QC, Canada
- 2019 **Award committee** – best talk and best poster at the OPAM 27th meeting
<http://www.opam.net/>
 Palais des congrès de Montréal, Montreal, QC, Canada
- Award committee** – best talk at the National Integrative Research Conference (NIRC)
<http://www.nircmcgill.com/>
 McGill University, Montreal, QC, Canada
- 2017 **Nomination for Jelena Ristic’s Women in Cognitive Science Mentorship Award**
<http://www.womenincogsci.org/award-winners>
 Awarded at the Psychonomic Society meeting, Vancouver, BC, Canada
- 2013-2016 **Representative of PhD students at Department level**
<https://dippsych.campusnet.unito.it/do/home.pl>
 University of Torino, Torino, Italy
- 2012-2015 **International award in Cognitive Sciences: “Mind & Brain Prize”**
 University of Torino and Mind & Brain Association, Torino, Italy
<http://www.mentecervello.it/>
 Role: Administrative assistant, conference organization, public relations

- 2012-2015 **Public outreach project: “Youth for Youth: Young researchers explain mind and brain to high-school students”**
University of Torino and Mind & Brain Association
<http://www.mentecervello.it/>
 Role: Administrative assistant, conference organization, public relations
- 2010-2012 **Knowledge-translation project “Services of mental health quality evaluation: A shared path of analysis with patients and families as assessors”.**
Health National Service – ASL TO2, Torino, Italy
 Role: Co-Organizer & team leader, administrative assistant

GRANT REVIEW

- Since* *Grant, Agency, Country [No. of applications evaluated]*
- 2026 Fonds de recherche du Québec, Canada [1]
- 2025 Canada Research Chair tier 2, Canada [1]
- 2024 Deutsche Forschungsgemeinschaft (DFG), Germany [1]
 John R. Evans Leaders Fund, Canada Foundation for Innovation, Canada [1]
 Personal Research Grants, The Israel Science Foundation, Israel [1]
- 2020 PRELUDIUM Funding Scheme, National Science Centre (NCN), Poland [2]

EDITORIAL ACTIVITY

Guest editor:

- 2020-21 Special Issue on *Interactive Cognition*
 Editors: Francesca Capozzi and Jelena Ristic
 Journal: *Visual Cognition*

Consulting referee:

- Since* *Journal name [No. of manuscripts evaluated]*
